## DISCLAIMER

Please read the following provisions carefully.

Visiting my website is confirmation of the fact that you have read these provisions, understood and are in agreement.

I am no doctor or psychiatrist and I have absolutely no intention to claim I am.

My grades are in the transmission of information frequencies.

By the information I read in the Energy of the Aura and Chakra or during a Healing and The Reconnection, or otherwise during the consultation.

I can form a small contribution to the balancing of you and your loved one on a physical, mental, emotional, spiritual or any other level.

**For medical questions always contact your own medical professional.**

I do not diagnose Independently! Take some medical suggestive remarks during a course or conversation as a hint, take them as a possible option for your visit to your GP or specialist.

I have no intention to cross or judge other treatments or medications.

Do you have a disease or condition you are in treatment for with another therapist, you should report this to me and in this case it is possible that you will be asked to sign an agreement in which you explicitly mention your own responsibility.

Of course your doctor may contact me in response to a conversation I've had with you.

Be aware that not everyone is open or shows understanding of Reading and Healing or the paranormal all together.

Although my therapy forms good to very good results, there is never a guarantee that this therapy for you, or your loved one strikes or works.

You are and shall at all times be responsible for your own health and how to dispose of the offered therapy does.
